

Dear Future & Current NGAUS Members:

The National Guard Association of South Carolina is now offering a payment plan to become an Active or Digital Lifetime member of the National Guard Association of the United States!

Membership in NGAUS is for National Guard Officers and gives the Guard a stronger voice on Capitol Hill. This organization was first formed by the veterans of the Civil War in 1878, based on the premise of “more resources, better benefits and greater respect for America’s hometown-based military force.” Still true to their mission, some of their top priorities are: zero cost TRICARE, increased full-time manning, modernization of all aircraft & equipment, and tax incentives for Guardsmen and their Employers.

There are many benefits that come with membership! Scholarships exclusively to members, Insurance supplements, Representation on Capitol Hill, and Professional development.

Become an Active or Digital Lifetime Member today using our new payment plan to gain access to these benefits.

What is the difference between Active and Digital Memberships?

Active Membership includes the National Guard Magazine and a Steel Lifetime Membership Card.

Digital Membership will have access to the digital download of the National Guard Magazine.
